

# WALK RIDE BUS

THERE'S SOMETHING COOL ABOUT IT

**TOO EASY** The benefits to you and the community are obvious. Get some fresh air, enjoy the sights, grab a team mate and get your warm up on the way to the courts!

There can be 52 netball teams at any one time at the Waiwhakaiho Courts, why not make it easier on yourself and get a guaranteed park by parking a little further away.

A web of connecting pathways and shortcuts around this area (many paved and all accessible) make walking and riding to the Waiwhakaiho Courts easier than ever.

If you are driving to the courts please remember to not park across driveways, on double yellows or in the cycle lanes. Please observe any parking restrictions.
